A note from the Chair ...

Thank you for your kind support!

We seek to empower citizens both in the UK and aboard. In the past 5 months since the birth our new Affiliated Organisation (AO), we had held debates on *A China Strategy*, helped in the Local Elections and worked on amendments to the illiberal "Illegal Migration Bill". At every juncture, Liberals enter the arena to empower.

Through asylum casework, we also empower advocates for safe routes! No HK or Ukrainian had ever to travel on small boats. That's because of our liberal, compassionate policies granting safe harbour to all who needed it.

Version v01202310

We shall continue our support in justice, promoting a way of life in a liberal democracy.

Last but not least, we support the powerful citizen, not the powerful state. Your contribution means every bit in our work on Empowerment, Justice & Rights.
